

Some different spray head types shown in drawings:

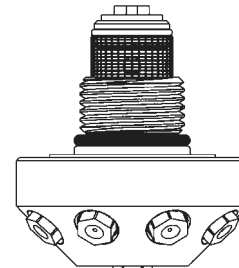

C30007

C31119

C31205

C31128

Examples of typical HI-FOG spray heads for land applications are shown in the table:

Stock code	Typical application	Data sheet
C30007	Flammable liquid hazards in small volumes	TC0100
C31010	Flammable liquid hazards	TC0120
C31119	Small computer rooms	TC0130
C31115	Computer room subfloors	TC0140
C31116	Total protection of turbine enclosures and machinery spaces	TC0140
C31112	Wet benches	TC0150
C31128	Local protection in machinery spaces	TC0190
C31140	Deep fat cooking equipment	TC0200
C31205	Total protection of machinery spaces	TC0900
C31210	Outdoor transformer protection	TC9801
C31125	Industrial deep fat cooking	TC9802
C31155	Cable tunnel protection	TC0255
