

# Kidde ECS Advanced Delivery Fire Suppression System Component Description

Combined Cylinder Strap for 4070 cu. in.  
and 4890 cu. in. Nitrogen Drivers

## FEATURES

- Available in Two Sizes, for 4070 and 4890 cu. in. Nitrogen Drivers
- Convenience of One Strap for Two Cylinders
- Easily Installed
- Custom Fit for Nitrogen Banking
- SAE 1020 Steel
- UL Listed, File Number 4674
- FM Approved
- RoHS Compliant

## DESCRIPTION

Kidde ECS Advanced Delivery Fire Suppression System Combined Cylinder Straps for Nitrogen Drivers offer the convenience of one strap installation for a two driver system. Custom made for use with the Kidde ECS Advanced Delivery System nitrogen drivers, the strap is available in two sizes: one custom fit for a 4070 cu. in. nitrogen driver cylinder and one for the 4890 cu. in. nitrogen driver cylinder. The strap is used in conjunction with dual nitrogen driver systems. Made of high quality steel, the strap is durable enough to withstand typical installation environments and is designed for easy, secure installation.

## INSTALLATION

The agent cylinder and nitrogen driver cylinders are secured in place using the combined cylinder strap. The strap is to be bolted to a solid wall or a strut assembly in two locations. Use 1/2-inch threaded rod and/or 1/2-inch diameter nuts, bolts and washers to secure the mounting strap to a vertical surface. After the containers are securely mounted, they can then be connected to the discharge piping per the system drawings.

## SPECIFICATIONS

### MATERIALS

**Body:** SAE 1020 Steel

**Finish:** Black

### Approximate Weight:

**4070 cu. in. Strap:** 4.4 lb. (2.0 kg)

**4880 cu. in. Strap:** 5.6 lb. (2.5 kg)

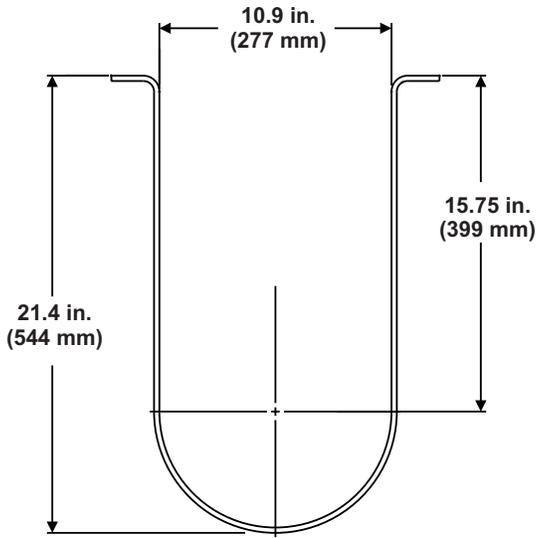

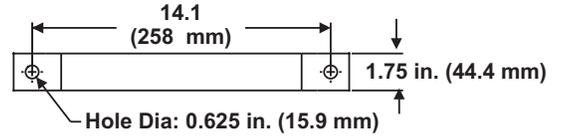

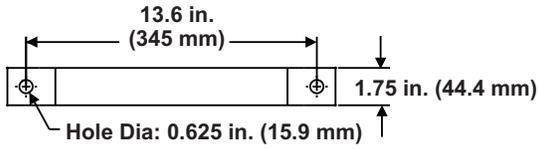

## ORDERING INFORMATION

Part Number	Description
06-236173-001	4070 cu in Nitrogen Driver Combined Cylinder Strap
06-236174-001	4890 cu in Nitrogen Driver Combined Cylinder Strap

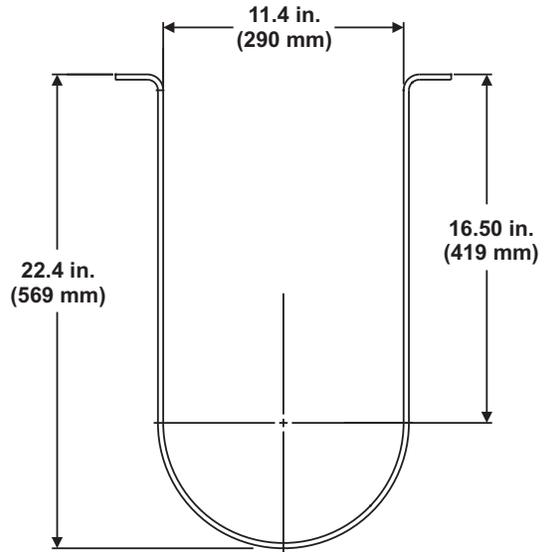

## COMPATIBILITY

Series	For Use With
Kidde ECS Advanced Delivery with FM-200 <sup>®</sup> Agent	X
Kidde ECS Advanced Delivery with 3M <sup>™</sup> Novec <sup>™</sup> 1230 Fire Protection Fluid	X
